## Raz Kids

Raz Kids is a great resource as it offers a variety of leveled books appropriate to your child's reading skills. It also offers questions that will help them develop many helpful reading skills. You can download the app onto an iPad or tablet or access it online at <https://www.kidsa-z.com/main/Login> Please let me know if you need passwords or login info again! You can use this all summer!

## Fun Lunch

## Family Reading

We will continue Family Reading this month! If it is raining we will go inside if it is not we will be outside! Thank you for taking time to stay a few minutes in the morning to read when you can. The kids have been loving it!

## Forest Friday

We have been going outside each Friday morning to explore outdoors. If anyone is interested in volunteering with us for our outdoor activities please let me know! We might do a walk to Central Park in June, please let me know if you might be available to join us!

## Library

Our last book exchange will be June 8. ALL books will need to be returned to school on June 10.

## Painting the Classroom

As some of you may know our school is in the process of being painted. It will be our turn in about 1.5-2.5 weeks. When it is our turn we will be moving classrooms. We will be down the hall in room 5 (between Ms. Toor and Ms. Sharma/Ms. Silva). I will update you when that happens.

## Our Learning

Last month we learned so much as we observed the life cycle of our butterflies. We have also been learning about adding, subtracting, and financial literacy. We are having a lot of conversations about kindness, patience, and forgiveness. During Story Workshop our stories are coming to life through bookmaking. We are learning that stories can be about so many things! We are building our confidence and strengthening our love for reading as well!

# Health check

## Daily Health Check

Everyone going into school must complete a daily health check, including staff, visitors, and students.

A daily health check means checking yourself or your child for new symptoms of illness, including symptoms of COVID-19.

Symptoms of illness (including COVID-19) include things like:

- Fever or chills
- Difficulty breathing
- Runny nose
- Headache
- Diarrhea
- Cough
- Sore throat
- Sneezing
- Body aches
- Loss of sense of smell or taste
- Loss of appetite
- Extreme fatigue or tiredness
- Nausea or vomiting

Keeping our classrooms safe is our number one priority. If your child shows any symptoms please keep them home.

While runny noses, congestion, and sore throats may not be on the list, they can be a sign of a cold or flu. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

Masks are now optional for students K-12.
