Raz Kids

Raz Kids is a great resource as it offers a variety of leveled books appropriate to your child's reading skills. It also offers questions that will help them develop many helpful reading skills. You can download the app onto an iPad or tablet or access it online at <https://www.kidsa-z.com/main/Login> Please let me know if you need passwords or login info again!

Fun Lunch

If you ordered Fun Lunch for your child please send a Ziploc bag to take home garbage/recycling from the lunch. Unfortunately at this time we do not have enough space to dispose of the waste from the lunches.

Please send a snack on Fun Lunch days!

Family Reading

As long as it is not raining, this is how we will begin on the **first day** of our school week. I know everyone's schedule is different and it may be difficult for you to stay, that is okay!

Forest Friday

We have been going outside each Friday morning to explore outdoors. If anyone is interested in volunteering with us for our outdoor activities please let me know!

Our Learning

This term we are learning about plants and life cycles! We will also be exploring financial literacy, measurement, adding and subtracting as well. We have planted some wild flowers in the planter box outside our classroom for the pollinators. We now have our caterpillars in our room and we are watching how they change each day!

Student Led Conferences

We are so excited to invite you into our classroom and to share what students have been learning this year. **This is an opportunity for your child to share their learning with you.** I will be pattering around the room but if you would like to talk about your child's learning we can set up a meeting for another day.

There will be early dismissal May 4 & 5 at 2pm.

Book Fair

Our book fair is back for the first time in 2 years! It will be running only during our class time this year from May 2 to May 13. Students are able to purchase items during their library times. For us that will be on Wednesday May 4 & 11.

If you feel more comfortable, I can hold onto any money for students and give it to them at their library time.

There will be no book exchange for the next two weeks.

Health check

Daily Health Check

Everyone going into school must complete a daily health check, including staff, visitors, and students.

A daily health check means checking yourself or your child for new symptoms of illness, including symptoms of COVID-19.

Symptoms of illness (including COVID-19) include things like:

- Fever or chills
- Difficulty breathing
- Runny nose
- Headache
- Diarrhea
- Cough
- Sore throat
- Sneezing
- Body aches
- Loss of sense of smell or taste
- Loss of appetite
- Extreme fatigue or tiredness
- Nausea or vomiting

Online Health Check

Keeping our classrooms safe is our number one priority. If your child shows any symptoms please keep them home.

While runny noses, congestion, and sore throats may not be on the list, they can be a sign of a cold or flu. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

Masks are now optional for students K-12.
