

Division 13 October Newsletter

Outdoor Classroom

Starting this week, we will be going outside on Thursdays for Outdoor classroom.

During this time your child will have opportunities to build and strengthen their connections to their peers, nature, and their learning. They will be encouraged to explore and ask questions. We will be going outside rain or shine.

Please ensure your child has appropriate weather attire each day as their recess and lunch is also outside rain or shine.

Things to consider for rainy days.

- Rain boots, rain coat, splash pants

*Rain clothes can be left at school if that is your preference.

Scholastics

If anyone is interested in ordering books through scholastics our classroom code is listed below.

Class code: RC124055

Library

Our new library time will be on **Wednesday**. Please return books as soon as you are finished with them or by Wednesday each week. We will also be doing book exchange each Wednesday instead of every other week.

Pumpkin Patch

On October 28 will be our school pumpkin patch. PAC sets up a pumpkin patch in the field beside the school and students get to pick a pumpkin to take home and carve. More information will be coming about the pumpkin patch.

Health Checks

Keeping our classrooms safe is our number one priority. We recommend staying at home to rest to avoid sharing germs in the classroom and allowing time for your child to recover.

If your child still has cold symptoms i.e. runny nose or cough. Please practice blowing/wiping nose with a tissue, safe handwashing, and coughing into elbow at home.

Halloween

On October 31, students can dress up in a costume and wear it to school. Please no masks or weapons.

Family Reading

Thank you everyone who stayed for family reading today. We will be doing family reading every Monday and Friday morning for the first 10-15 mins of the day.

Math Games Night

There will be more information to come. On Wednesday October 26, families will be invited to come to the school in the evening to learn and play math games.
