## Mini Performances Friday June 2

The last two weeks we have been learning about some popular fairy tales. We have been learning to retell stories and that stories can be shared through speaking.

On Friday during our family reading time students will instead be presenting their retelling of a fairy tale. We have 4 groups total, 1 group chose goldilocks and the three bears and 3 groups chose the three little pigs. I believe that each story will take about 10 mins (maybe/hopefully less).

I know this is last minute, so please do not feel you need to stay. If you would like to stay but need to leave earlier too, that's okay as well. Please try to **arrive by 8:50 Friday** so we can get started as quickly as possible.

## Library

Please return books as soon as you are finished with them or by **wednesday** each week. The **last** day of library will be on June 14. Please return all library books on or before this day.

## Sports Day

On **June 16** we will have our sports day. There will be a bike parade in the morning. Each student has a house they have been earning points for throughout the year.

On Sports day they will wear their team colour and earn points for their team. If they choose to participate in the bike parade, their bikes can be decorated with their house colour. We ask for no scooters this year as it is very difficult to ride them on the gravel field.

## Portfolio Share

Our final portfolio share will be on Monday June 26.

## Central Park Field Trip

On June 23 we will be going on a full day walking field trip to central park with the whole school. We will be leaving the school shortly after 9am and return around 2pm. Please let me know if you are interested in volunteering for this field trip.

## Birthday's

We will be celebrating our summer birthdays this month! I like to make sure everyone gets the chance to celebrate their birthday at school.
