

## Le Cas Mystérieux de Monsieur Leblanc Test 2 – Outline

- You will listen to descriptions of two individuals. You will check off sentences that match what you hear. Study all vocabulary related to physical appearance. ie : hair length & style (straight / curly), body parts, tall, short etc...
- You will need to show that you know the meaning of the verbs *être* & *avoir* AND know how to conjugate them
- There will be a choice box with verbs from this unit. You will need to create 5 sentences using 5 of these six verbs.
- There will be 4 questions and you will (in written form) answer them in the negative.
  - ex : Est-ce que tu vas à l'école aujourd'hui? Non, je ne vais pas à l'école aujourd'hui.
- You will read a small paragraph. There will be 5 statements and you will identify which are correct according to the paragraph that you read.
- You will see an image of a family tree. Based on that family tree, you will identify different family relationships and write sentences to describe their physical appearance. You will need to know how to spell the following vocabulary.
  - Mother
  - Father
  - Grandmother
  - Grandfather
  - Aunt
  - Uncle
  - Son
  - Daughter
  - Grandson
  - Granddaughter
  - Niece
  - Nephew
  - Cousin (masculin & féminin)
  - Husband
  - Wife
- Oral component : you will respond to 4 questions out loud in full sentences. Some examples may include :
  - Comment t'appelles-tu?
  - Comment ça va?
  - Ask to go to the washroom (in French)
  - Give 2 sentences to describe the physical appearance of a character (or two)
