

Fr11H - Unité 4 : En Ville

In groups of 3-4, you will create a skit where 1-2 members of the group are lost tourists in a francophone city/town. While in town, you have a few destinations they would like to visit including tourist sights and a few errands (like going to the bank or post office). You need to seek help from locals to help you get to your desired destinations.

Try to be creative and don't forget the purpose of this presentation is to show what you learned to do this unit!
