

Unité 4 : En Ville

In groups of 3-4, you will create a skit where 1-2 members of the group are lost tourists. While in town, they have a few destinations they would like to visit including tourist sights and a few errands (like going to the bank). They need to seek help from locals to help them get to their desired destinations.

Try to be creative and don't forget the purpose of this presentation is to show what you learned to do this unit!
