

Burnaby Mountain Secondary
Pre-Calculus Mathematics 11 Course Outline

Course Mark:

The Pre-Calculus Mathematics 11 Course is divided into 8 units. Each chapter is worth the following percentages of the Course Mark.

Ch 2	Absolute Value and Radicals	13%
Ch 3	Solving Quadratic Equations	13%
Ch 4	Analyzing Quadratic Functions	13%
Ch 5	Graphing Inequalities and Systems of Equations	13%
Ch 6	Trigonometry	13%
Ch 7	Rational Expressions and Equations	13%
	Finance	10%
	Numeracy Practice	
	Final Exam	12%

Tests and Quizzes 100% of each Chapter

Note: Subject to change

Grading:

The Burnaby Mountain Mathematics Department uses a Cumulative Grading system. This means that each chapter is worth a specific percentage of the entire course. Each term mark will be a reflection of the student's learning up until that point. The Final mark will **not** be an average of each term but rather a mark showing the student's level of mastery throughout the entire course.
