

Week 1
April 14th to 17th

Let's 'Bee'gin!

Division 10's Learning Adventures

Tuesday

Literacy - Readers & Writers

Find a 'Just Right Space' to do your reading. Check with your parent to see if this is a good space, that you can use. Create a book box, book bag, shelf or whatever works for you and your family. Please read a story. What was the story about? What was the beginning, middle & end. Remember there are 3 ways to read.

Wednesday

Special Activities

Please gather any work that you have done and figure out a space where you can do your school work.

If you don't already have a space set up to do your school work, please talk to your parents about where you can work and keep all your things together.

Thursday

Wellness - Wellness Explorers

Can you draw or write the healthy foods you ate today.

Friday

Creativity - Creators

Please make a journal - it can be a homemade book etc. Please decorate it and make it your own writing book.

Inquiry - 'Wonder' the World

Please explore Our 'Division 10 Learning Adventure' Blog. To get there you go to the Buckingham Website.

<https://buckingham.burnabyschools.ca>

Then you click on classes, Next, you will find Ms Saunders name & finally, you click on the website link beside my name. Many of you need to share your devices, internet and parents attention so please be patient. Ask if you could have a turn today to explore your learning blog and have someone help you to learn to use it.

Numeracy - Mathematicians

Try to remember all the shapes that you already know - (circle, square, rectangle, triangle etc.)

Can you draw the shape and print the shape name?

Service - Caring Helpers

Draw a picture and put it in your window to say thank-you Don't put your name in the window, Just a thank-you! (it could be hearts, flowers, fireworks picture)

DPA - Let's Move

An exercise of your choice. It has to make your heart beat faster than when you are resting. Do you remember how to feel your heartbeat?
