O Canada!

<https://www.youtube.com/watch?v=6GmM17-F9Lw>

O Canada!
Our home and native land!
True patriot love in all of us command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
O Canada, we stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

Over the Rainbow

<https://www.youtube.com/watch?v=qAZxa2w7Yw8>

ASL: <https://www.youtube.com/watch?v=ffnq0FphCUI>

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream
Really do come true

Someday I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me

Somewhere over the rainbow bluebirds fly
Birds fly over the rainbow, why then, oh, why can't I?

If happy little bluebirds fly beyond the rainbow
Why, oh why can't I?

Defying Gravity #Defying Gravity.mp3

https://www.youtube.com/watch?v=bmbk_oWtKNU

Something has changed within me
Something is not the same
I'm through with playing by
The rules of someone else's game
Too late for second-guessing, too late to go back to sleep
It's time to trust my instincts, close my eyes...and leap

It's time to try defying gravity
I think I'll try defying gravity, and you can't pull me down

I'm through accepting limits
'Cause someone says they're so
Some things I cannot change, but 'til I try, I'll never know
Too long I've been afraid of losing love, I guess I've lost
Well, if that's love, it comes at much too high a cost

I'd sooner try defying gravity
Kiss me goodbye, I'm defying gravity
And you can't pull me down

Unlimited. My future is unlimited
And I've just had a vision almost like a prophecy
I know it sounds truly crazy, and true, the vision's hazy
But I swear someday I'll be

Up in the sky, defying gravity
Flying so high, defying gravity
They'll never pull me down

So if you care to find me, look to the western sky
As someone told me lately,
"Everyone deserves the chance to fly"
And if I'm flying solo, at least I'm flying free
To those who ground me, take a message back from me

Tell them how I am defying gravity
I'm flying high, defying gravity
And soon, I'll match them in renown

And nobody in all of Oz, no wizard that there is or was
Is ever gonna bring me down! Ah-ah-aa-ah!

CANADA IS

https://www.youtube.com/watch?v=rTH22_1ebSo

(Chorus)

Canada is the Rocky Mountains,
Canada is Prince Edward Island,
Canada is a country made for love.
Canada is the prairie cowboy,
Canada is the Yukon miner,
Canada is a country full of love.

We have love for our neighbours
of whatever creed or colour,
We have love for our cities
and our valleys and our plains,
We have a voice that is calling
telling all the world we're willing
To welcome them to this great land,
and that's what Canada is.

(Chorus)

Canada is the Rocky Mountains,
Canada is Prince Edward Island,
Canada is a country made for love.
Canada is the prairie cowboy,
Canada is the Yukon miner,
Canada is a country full of love.

We have peace in our valleys,
we're happy and contented,
We have peace in our cities
and our bound'ries have no chains,
We have a voice that is calling
telling all folks we are willing
To show them how to live in peace,
and that's what Canada is.

(Chorus)

Canada is the Rocky Mountains,
Canada is Prince Edward Island,
Canada is a country made for love.
Canada is the prairie cowboy,
Canada is the Yukon miner,
Canada is a country full of love.

OH, WATCH THE STARS

https://www.youtube.com/watch?v=-fiXR_j4A8

Oh, watch the stars, see how they run,
Oh, watch the stars, see how they run,
The stars run down...at the setting of the sun,
Oh, watch the stars, see how they run.

Oh watch the wind, see how it blows,
Oh, watch the wind, see how it blows,
The wind shall blow...when the sun is going down,
Oh, watch the wind, see how it blows.

Oh watch the moon, see how it glows,
Oh watch the moon, see how it glows,
The moon glows white, in the middle of the night,
Oh watch the moon, see how it glows.
