

SONG 1

So Much Snow

Reproducible Lyrics Sheet

So much snow!
Never ever had
So much snow!
This is looking bad.
It just keeps on coming down.
It covers the lawn all over the ground.
Winter's here and what do you know?
Never had so much snow!

So much snow!
Winter wonderland!
So much snow!
Getting out of hand.
Yesterday was sunny and bright.
A beautiful sight, now nothing but white.

See the banks all grow and grow,
Never had so much snow!
It just keeps on coming down.
Coming down, coming down!
Snow just keeps on piling up, piling up,
Up, up, up, and up!

So much snow!
Never ever had
So much snow!
This is looking bad.
It just keeps on coming down.
It covers the lawn all over the ground.
Winter's here and what do you know?
Never had so much snow.
Oh, never had so much snow.
Oh, never had so much snow.
So much snow!
