

# SONG 4

## Free Ride

### Reproducible Lyrics Sheet

We're ready to stomp now,  
We're ready to romp now,  
We're ready to ride!  
We don't have a care now,  
We're catching some air now,  
My crew by my side.

Free ride, down the mountain side!  
Free ride, we won't be denied.  
Don't have a care, catching some air!  
We're on a free ride.

We're shredding the gnar now,  
We shoot like the star now,  
And we never bail!

We're ready to skip town,  
We're ready to throw down,  
And we never fail!

Free ride, down the mountain side!  
Free ride, we won't be denied.  
Don't have a care, catching some air!  
We're on a free ride.

*(Instrumental dance break)*

Let's go!  
Great snow!  
Gnarly!  
Yard sale!

Free ride, down the mountain side!  
Free ride, we won't be denied.  
Don't have a care, catching some air!  
We're on a free ride!  
Free ride!  
Free ride!
