

Donkey Riding

Were you ever in Quebec
Stowing timber on the deck?
Where there's a king with a golden crown
Riding on a donkey.

Hey, ho, away we go
Donkey riding, donkey riding.
Hey, ho, away we go
Riding on a donkey.

(Stomp clap clap clap stomp clap clap rest
Stomp clap stomp clap stomp clap clap rest)

(Stomp clap clap clap stomp clap clap rest
Stomp clap stomp clap stomp clap clap rest)

Were you ever off the Horn
Where it's always fine and warm?
Seeing the lion and the unicorn,
Riding on a donkey.

Hey, ho, away we go
Donkey riding, donkey riding.
Hey, ho, away we go
Riding on a donkey.

([Pat: ta titi ta titi ta] clap clap rest
[Pat: ta titi ta titi ta] clap stomp rest)
([Pat: ta titi ta titi ta] clap clap rest
[Pat: titi titi titi titi ta] clap stomp rest)

[Donkey riding, donkey riding,
Donkey riding, donkey ride.] x2

Were you ever in Cardiff Bay
Where the folks all shout, "Hurray!"?
Here comes John with his three month's pay
Riding on a donkey.

Hey, ho, away we go
Donkey riding, donkey riding.
Hey, ho, away we go
Riding on a donkey. Riding on a donkey.

Lakeside Lullaby

As twilight gently fades from day
And sailboats port for night
All nets of fish are thrown to shore
In the soft marina light.

Ahhhh, ahhh.
We wander down a narrow path;
From dock to land we rove
And find a peaceful hide away;
A quiet little cove.

The silver clouds pass slowly
And warm wind stirs the tide.
Then shimmers the horizon
Where the lakeline meets the sky!

Take me down to the water,
Spin me 'round by the bay,
Hold me tight all through the dark night;
Cradled close in the glow of moonlight
We'll sing forever more...

Ahhhh, ahhh.
Ahhhh, ahhh.

Hear the lapping waves collide
As we breathe in the night.
Feel the sand beneath our toes
As we dance in this wond'rous, sacred cove!

Take me down to the water,
Spin me 'round by the bay,
Hold me tight all through the dark night;
Cradled close in the glow of moonlight
We'll sing forever more...

Ahhhh, ahhh.
Ahhhh, ahhh.

I've Got Joy

Chorus

I've got joy, I've got joy down in my soul
I've got joy down in my soul
I've got joy, I've got joy
Oh I've got joy, I've got joy
I've got joy, I've got joy in my soul

Verse 1

When I wake in the morning,
I feel the sunshine on my face
Clothe myself with gratitude
That's the joy of a brand new day

Verse 2

Flowing like a river,
Washing over everything
Nobody can take my joy but
Everybody can help me sing

Chorus

I've got joy, I've got joy down in my soul
I've got joy down in my soul
I've got joy, I've got joy
Oh I've got joy, I've got joy
I've got joy, I've got joy in my soul

Verse 3

Joy will always be my song,
No matter what the clouds may bring
*And so I stick my chest out, shoulders back,
Stand up tall then open my mouth and sing*

Chorus

I've got joy, I've got joy down in my soul
I've got joy down in my soul
I've got joy, I've got joy
Oh I've got joy, I've got joy
I've got joy, I've got joy in my soul

Chorus

I've got joy, I've got joy down in my soul
I've got joy down in my soul
I've got joy, I've got joy
Oh I've got joy, I've got joy
I've got joy, I've got joy in my soul

Bridge

Joy, down in my soul
Joy, down in my soul
Joy, down in my soul
I've got joy down in my soul

Bridge

Joy, down in my soul
Joy, down in my soul
Joy, down in my soul
I've got joy down in my soul
I've got joy down in my soul
I've got joy down in my soul
