grade 6/7 classroom teacher

## HERE ARE 2 WAYS YOU CAN STAY ON TOP OF WHAT'S GOING ON IN our DIVISION 1

Remind

Cellphone  
app

Remind

- A free, safe way for teachers to send text message to parents.
- From reminders, to assignments, to activities.
- Any time a teacher sends a message from **Remind**, all the parents subscribed will receive it.
- You can easily send a "direct message" to your teacher that will be visible by only the teacher.
- Before you begin, read <https://www.remind.com/terms-of-service>
- Students under 13 years old outside the United States cannot join Remind.

One or both parents could subscribe.

Cell Phone: Download the free Remind app onto your cell phone.

You can add yourself using our class code. But still return this paper.

Our class code for the Remind app is @hellosmith

Class website

Go to our Douglas Road school website <https://douglas.burnabyschools.ca/>

- Select SCHOOL STAFF.
- Find my listed name and click on Website.
- You are now on my class website.
- Lots of info is here about my programs, homework policies, subjects. And so much more!
- Clicking on my name will allow you to e-mail me as that brings up my e-mail address.
- [joanne.smith@burnabyschools.ca](mailto:joanne.smith@burnabyschools.ca)
- It normally takes me 24-48 hours to notice e-mails.
- I check the Remind app on my cellphone daily.

Make sure you get the information you need, when you need it!

This is my 9th year using the Remind app.
