

Essential Science Work Habits

	RESPONSIBILITY	COOPERATION	INDEPENDENCE
<p>GOOD</p> 	<p>Student . . .</p> <ul style="list-style-type: none"> ✓ is always on time for class ✓ is always ready to work and learn, with all necessary materials ✓ is on task for the entire class ✓ completes all assignments on time to the best of their abilities 	<p>Student . . .</p> <ul style="list-style-type: none"> ✓ always works well with or assists peers ✓ always demonstrates respect for other students ✓ always shows respect for the teacher and the learning environment ✓ always demonstrates safe laboratory practices, is careful with lab equipment, and is responsible for effective post-lab clean up 	<p>Student . . .</p> <ul style="list-style-type: none"> ✓ is a self directed, active partner in their learning and seeks help when needed ✓ reviews and studies on a regular basis ✓ always comes prepared for labs and can complete lab procedures independently
<p>SATISFACTORY</p> 	<p>Student . . .</p> <ul style="list-style-type: none"> ○ is usually on time for class ○ is usually ready to work and learn, with necessary materials ○ is on task for most of the class ○ completes all but a very few assignments in a timely and careful manner 	<p>Student . . .</p> <ul style="list-style-type: none"> ○ usually works well with or assists peers ○ usually demonstrates respect for other students ○ usually shows respect for the teacher and the learning environment ○ usually demonstrates safe laboratory practices, is careful with lab equipment, and is responsible for effective post-lab clean up 	<p>Student . . .</p> <ul style="list-style-type: none"> ○ is usually a self directed, active partner in their learning and seeks help when needed ○ reviews and studies on a fairly regular basis. ○ usually comes prepared for labs and can complete lab procedures with minimal teacher support
<p>NEEDS IMPROVEMENT</p> 	<p>Student . . .</p> <ul style="list-style-type: none"> ✗ is rarely on time for class ✗ is rarely prepared to work or learn and seldom has necessary materials ✗ is too often off task in class ✗ completes few, if any, assignments on time while demonstrating little care or effort ✗ is too often distracted by personal technology (cell phones/iPods) 	<p>Student . . .</p> <ul style="list-style-type: none"> ✗ rarely works well with or assists peers ✗ does not demonstrate respect for other students ✗ rarely shows respect for the teacher or the learning environment ✗ rarely demonstrates safe laboratory practices. Is neither careful with lab equipment nor responsible for effective post-lab clean up 	<p>Student . . .</p> <ul style="list-style-type: none"> ✗ is neither a self directed nor active partner in their learning and rarely seeks help when needed ✗ rarely reviews or studies ✗ rarely comes prepared for labs and/or is unable to follow instructions or complete procedures independently
