We have done a
good job of social
distancing and
staying at home.

Less people are
getting sick with the
Corona virus.

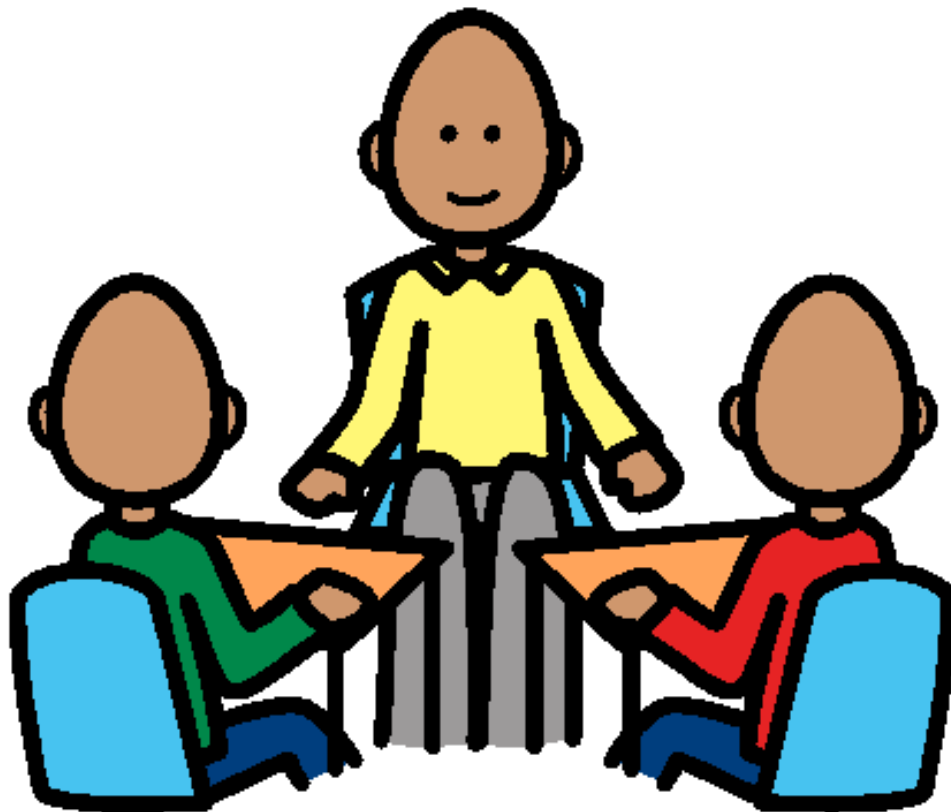

Schools are re-
opening soon!

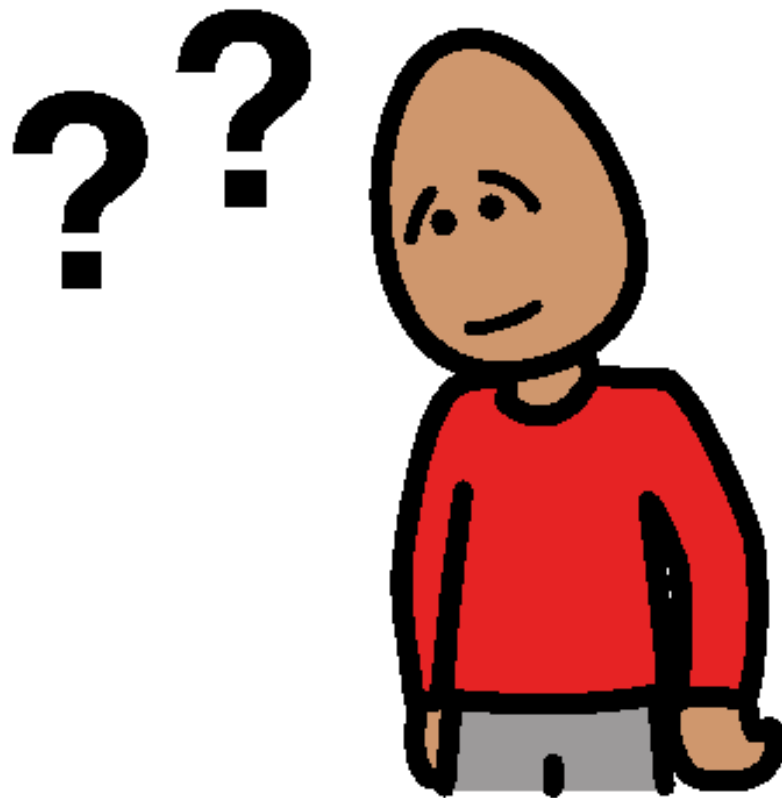

It will be nice to be
at school again.

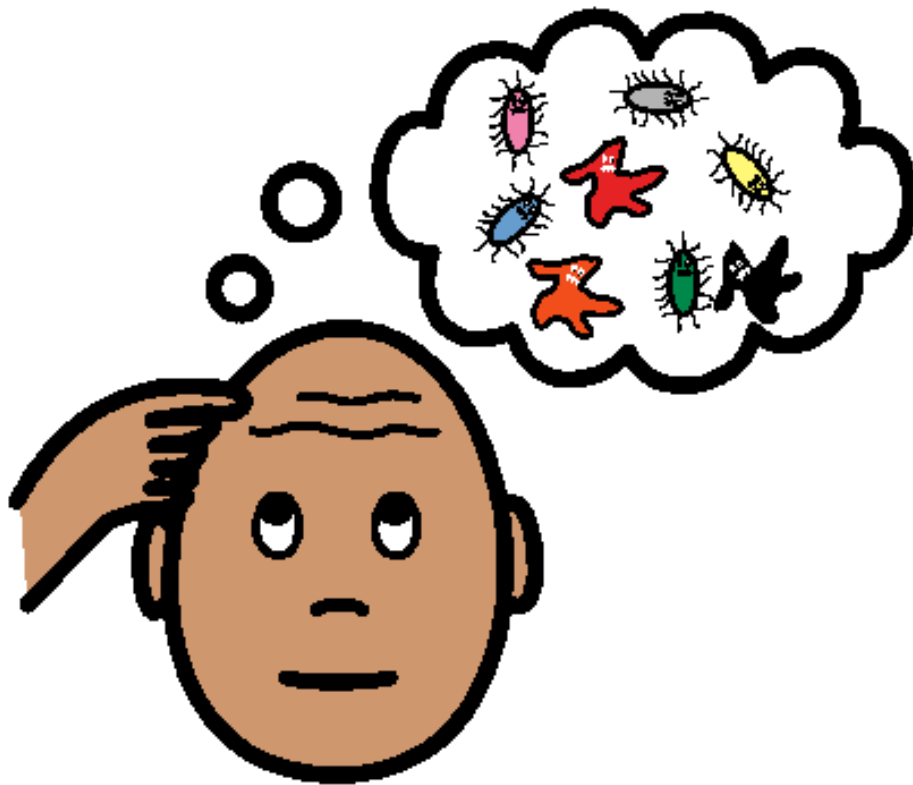

The teachers will help everyone to stay safe.

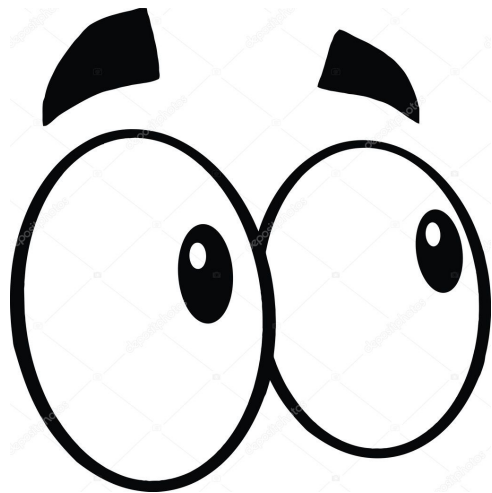

To keep everyone safe, things will be different at school.

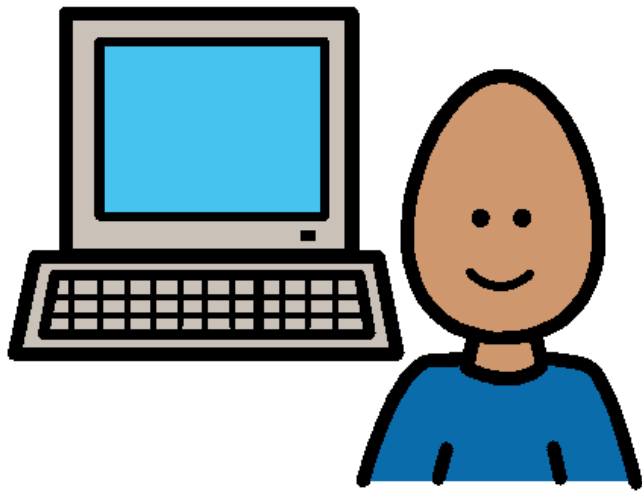

We need to be careful so that we don't spread germs at school.

**WHAT
WILL IT
LOOK
LIKE?**

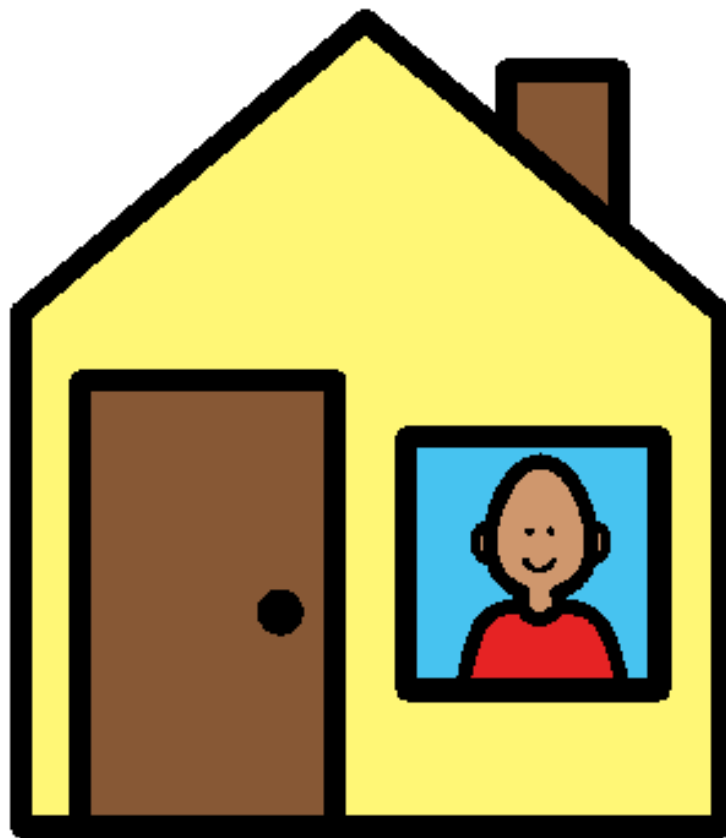

Learning will take
place at school
and online.

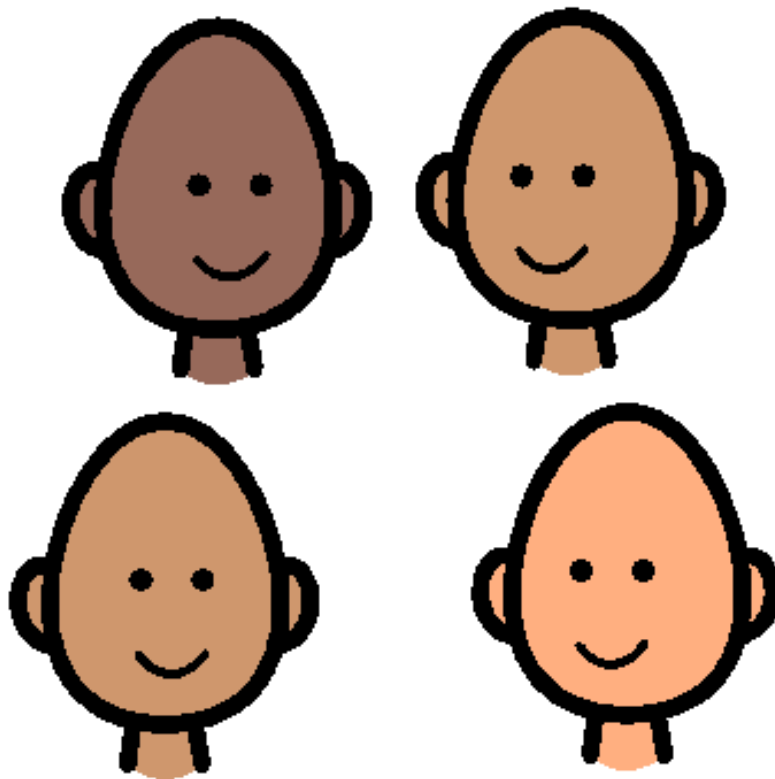

Some teachers will
stay at home.

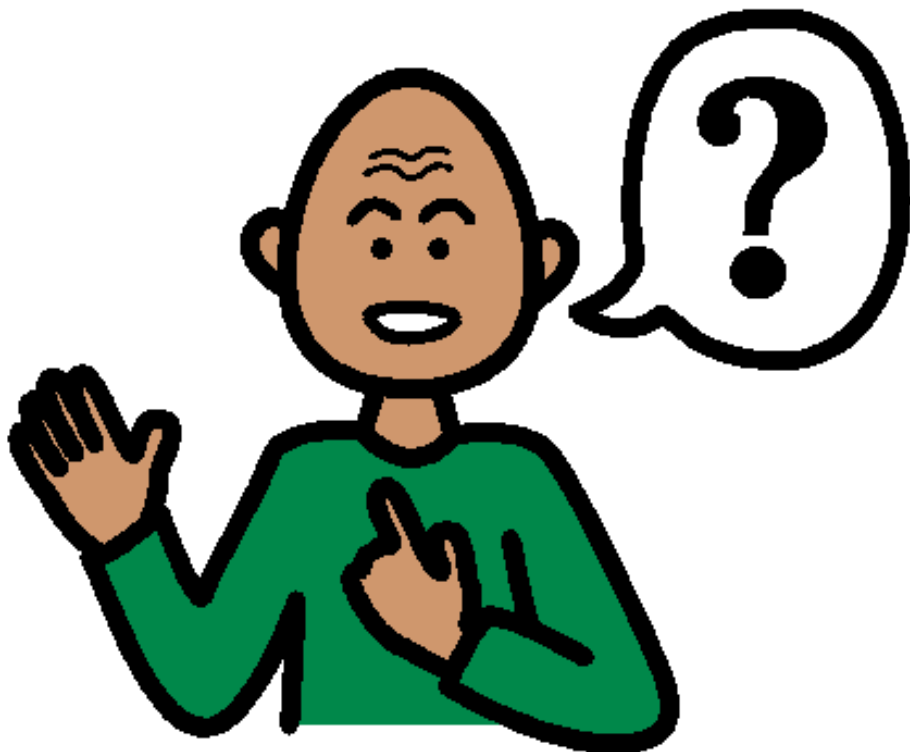

Some students will
stay at home.

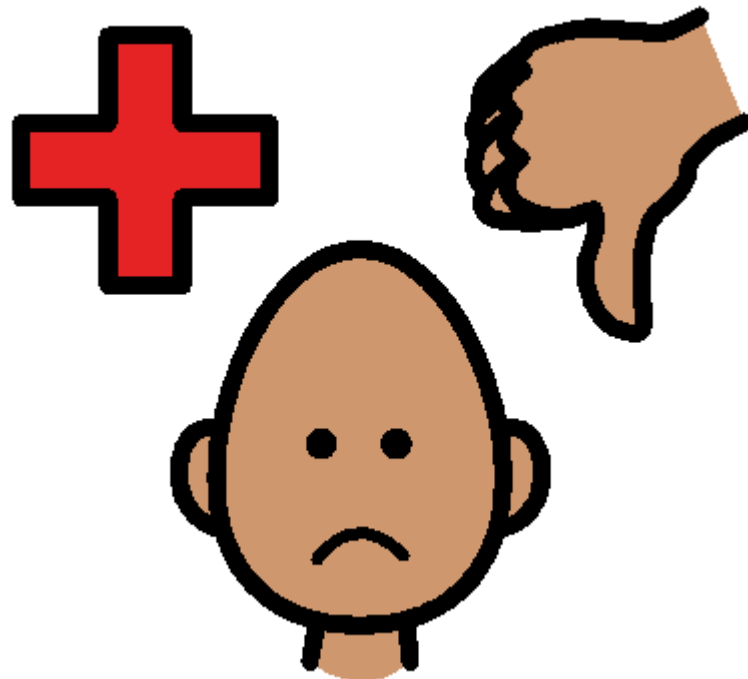

Students who come to school will attend in smaller groups.

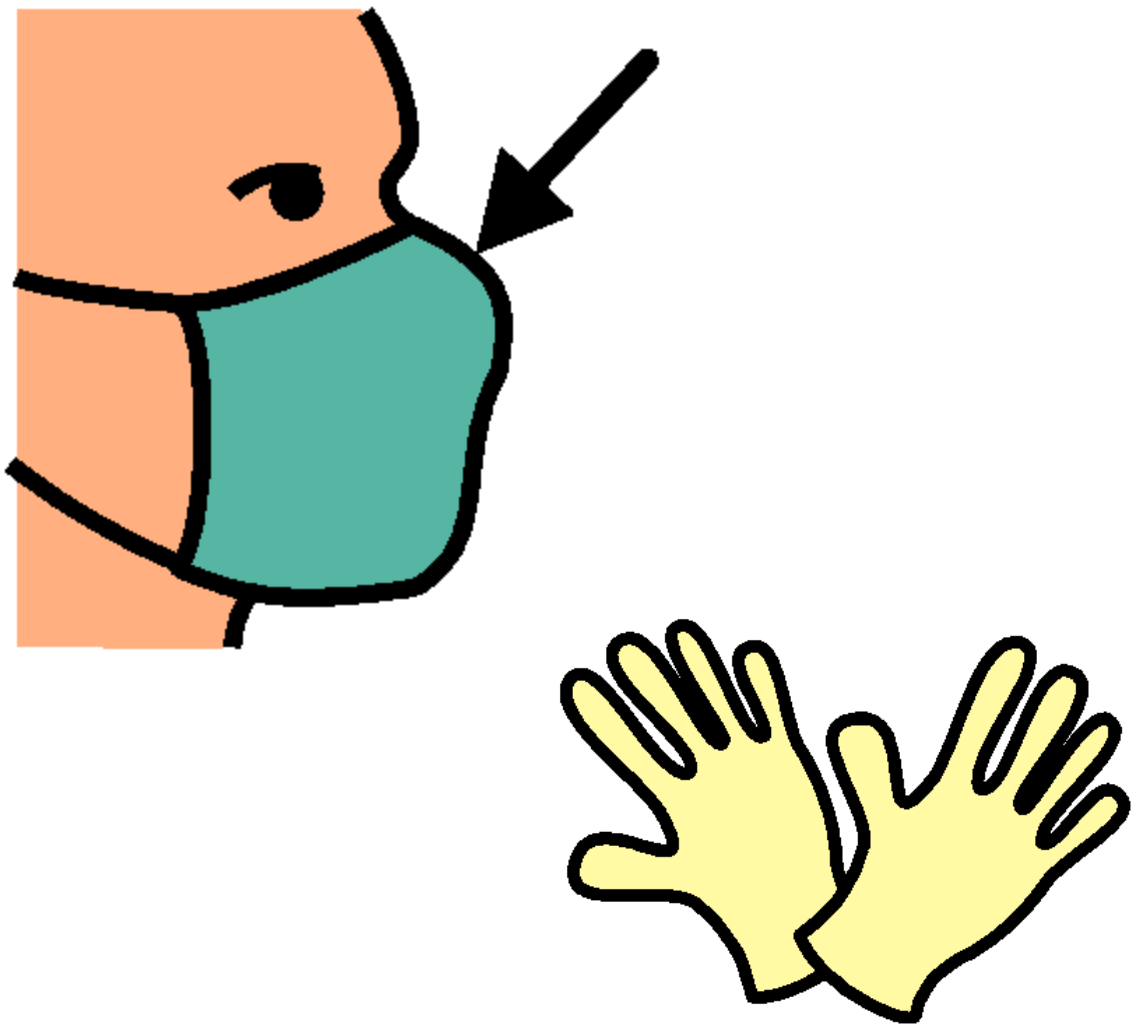

Everyone entering the school needs to make sure that they are healthy.

Anyone who is feeling sick needs to self-isolate at home so they don't get others sick.

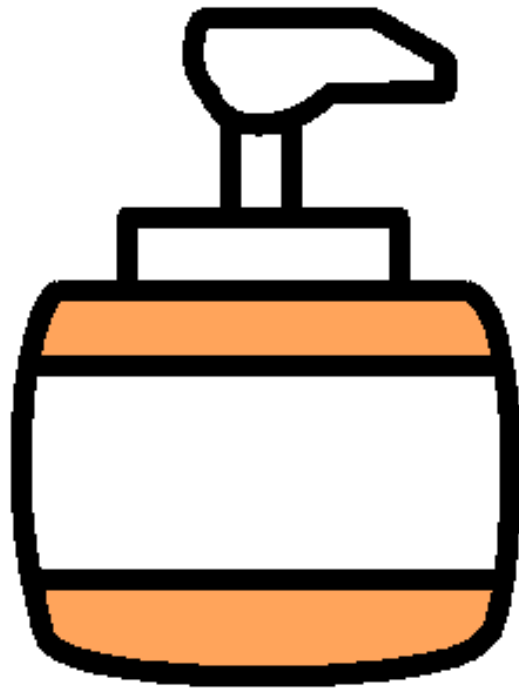

Some people might
be wearing masks
or gloves at school.

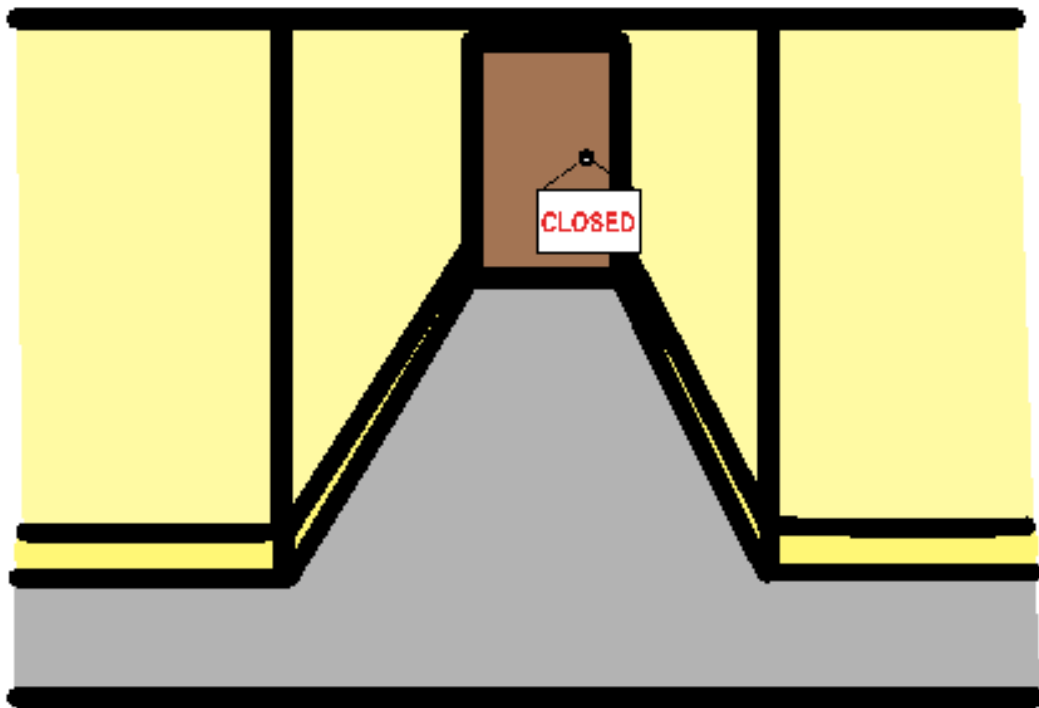

Everyone that enters the school needs to wash their hands with soap for 20 seconds.

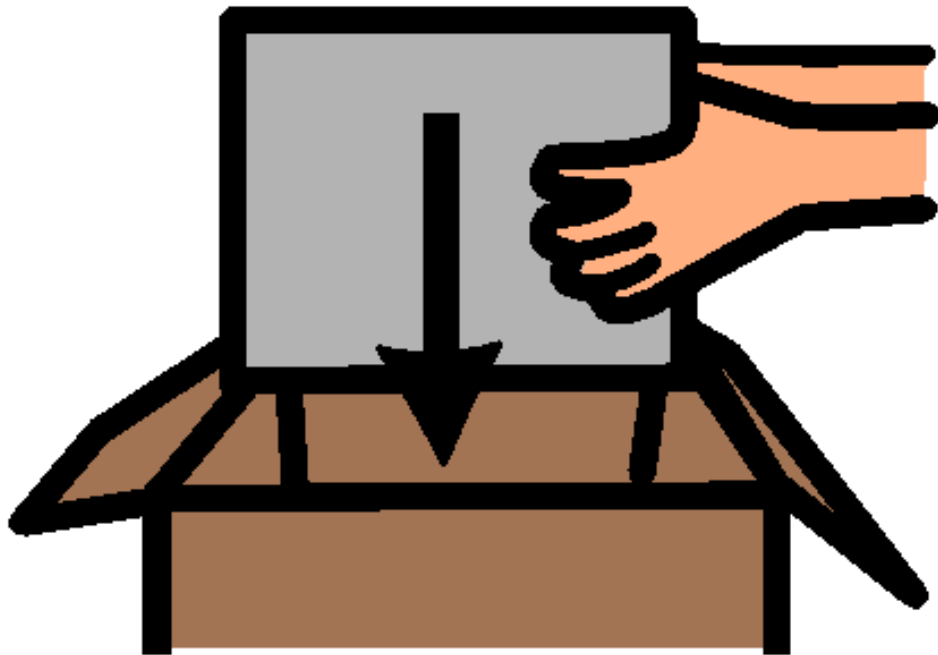

Using hand sanitizer
at school is also a
good idea.

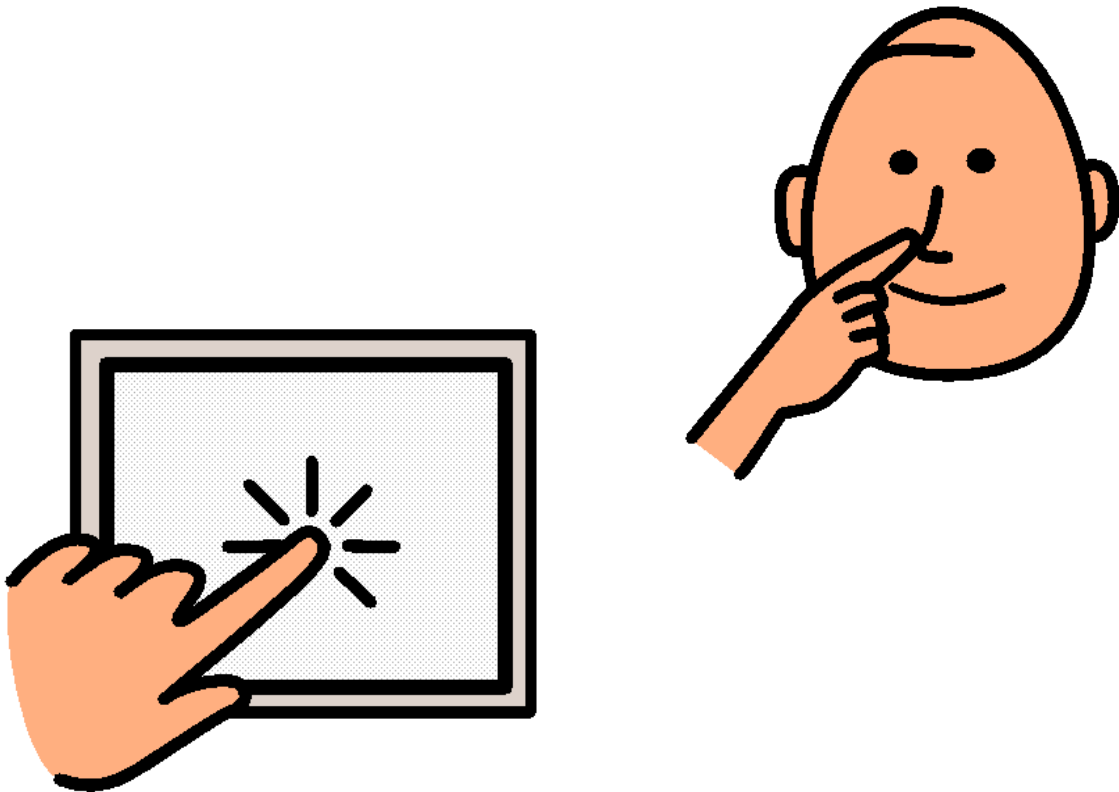

Some parts of the school might be closed.

Many things will be
put away.

We need to limit
the things that we
touch so that we
don't spread
germs.

The custodians will
work hard to help
keep our school
clean.

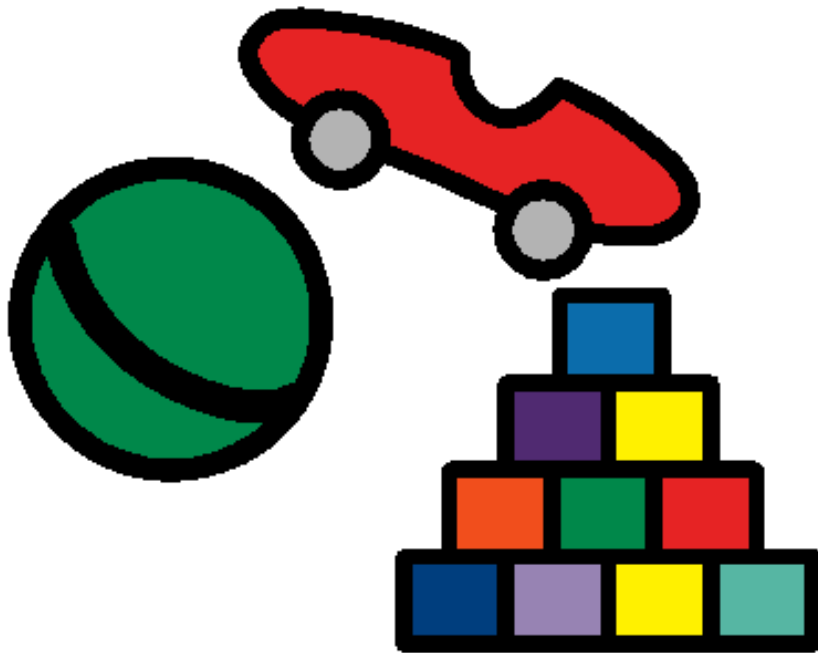

We will not be able
to share books at
school.

MY TEACHER WILL
BE ABLE TO READ
AND SHARE
STORIES WITH US...

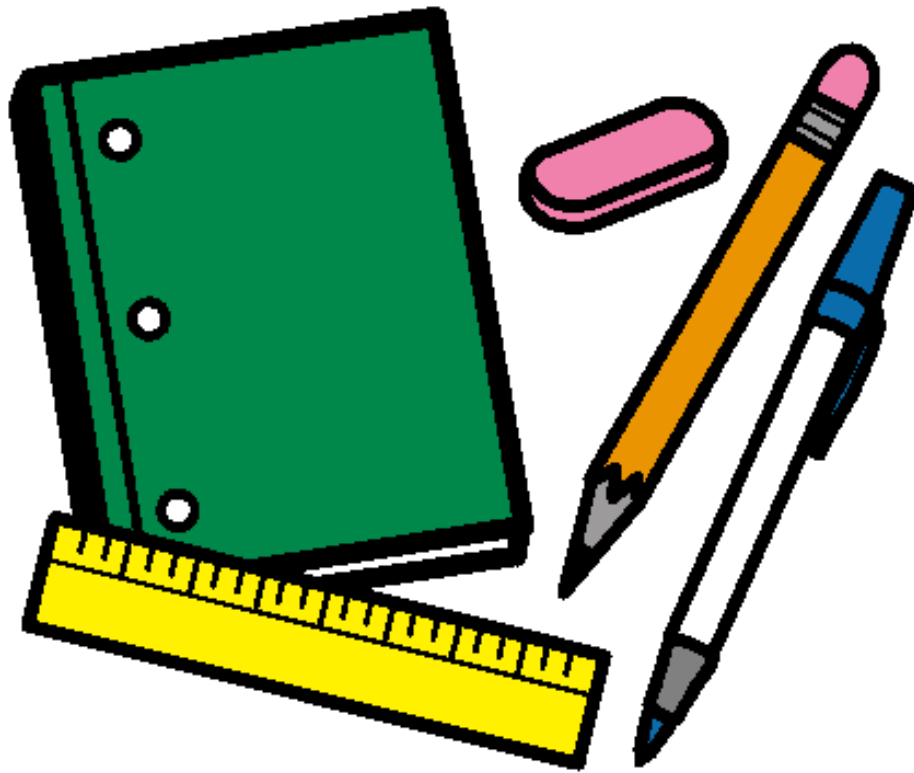

We will not be able
to share toys at
school.

I **WILL** BE ABLE TO
USE MY
IMAGINATION TO
PLAY WITH MY
FRIENDS FROM A
SAFE DISTANCE

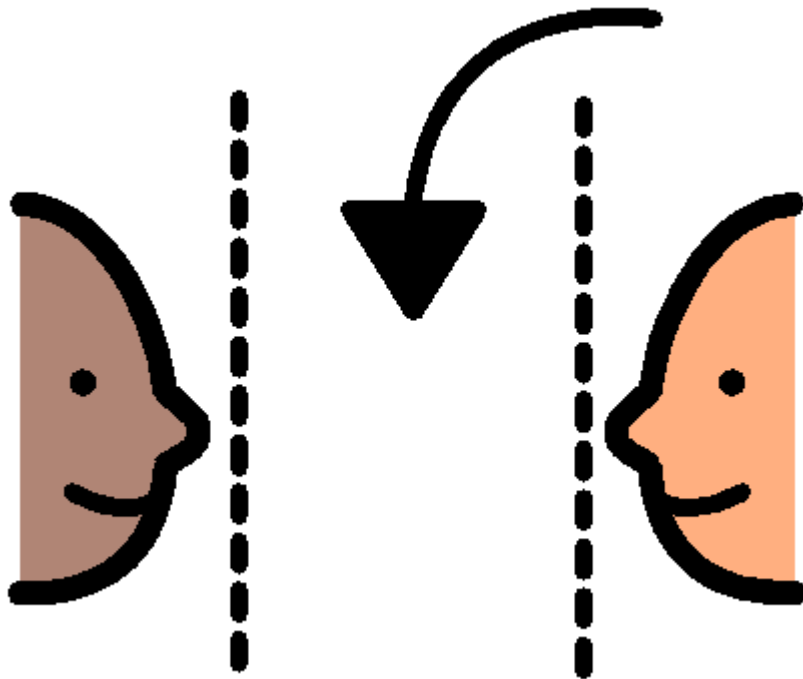

We will not be able
to share supplies at
school.

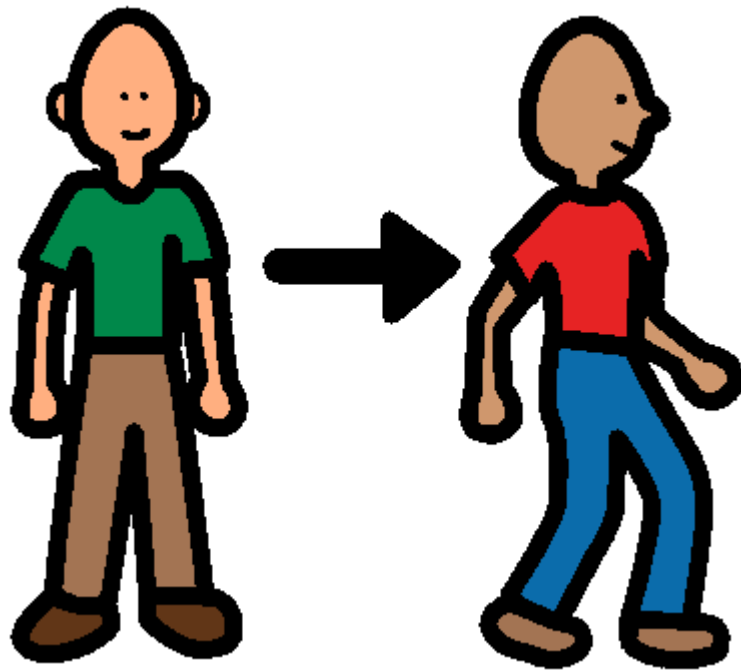

MY TEACHER WILL
MAKE SURE I
HAVE WHAT I
NEED TO LEARN

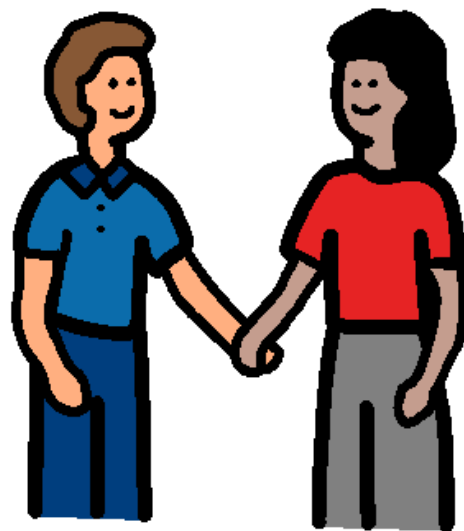

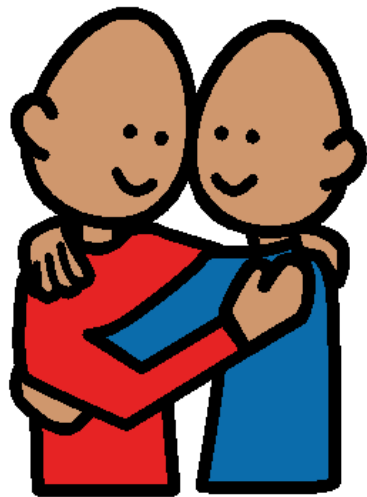

We also need to
physically distance
ourselves from
others at school.

Line-ups at school
need to have larger
spaces between
each person.

We will not be able
to hug others or
hold hands with
others at school.

If this makes me feel
sad I can always....

***smile at a friend**

***squeeze my own hand**

***share a kind word**

***give myself a great
*BIG HUG***

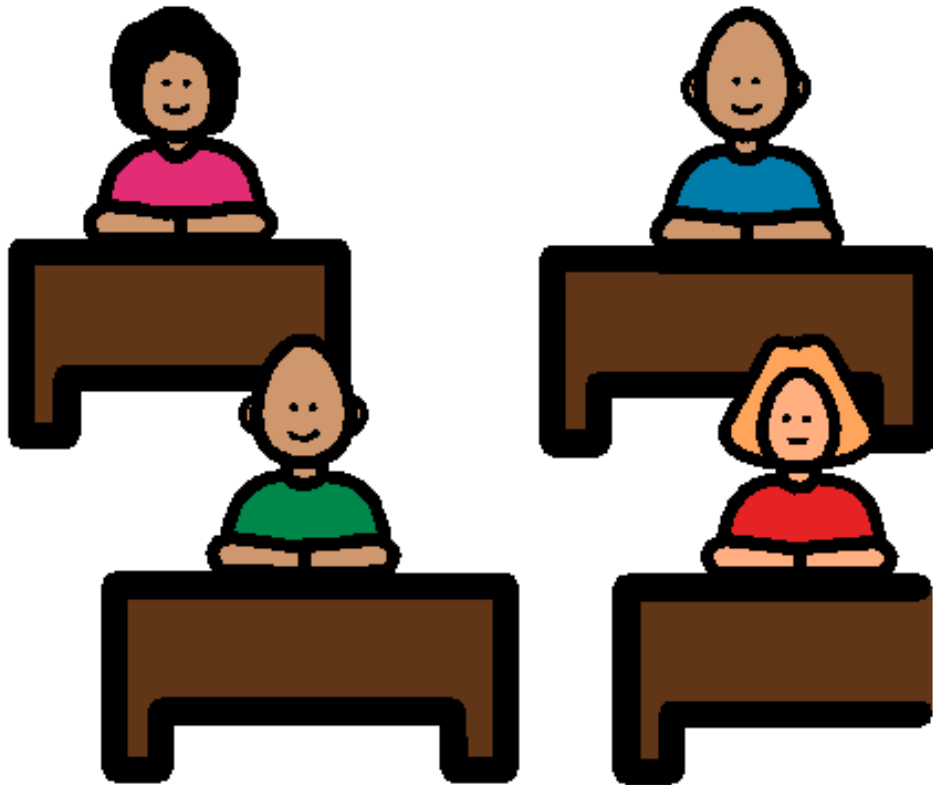

The classrooms will look different.

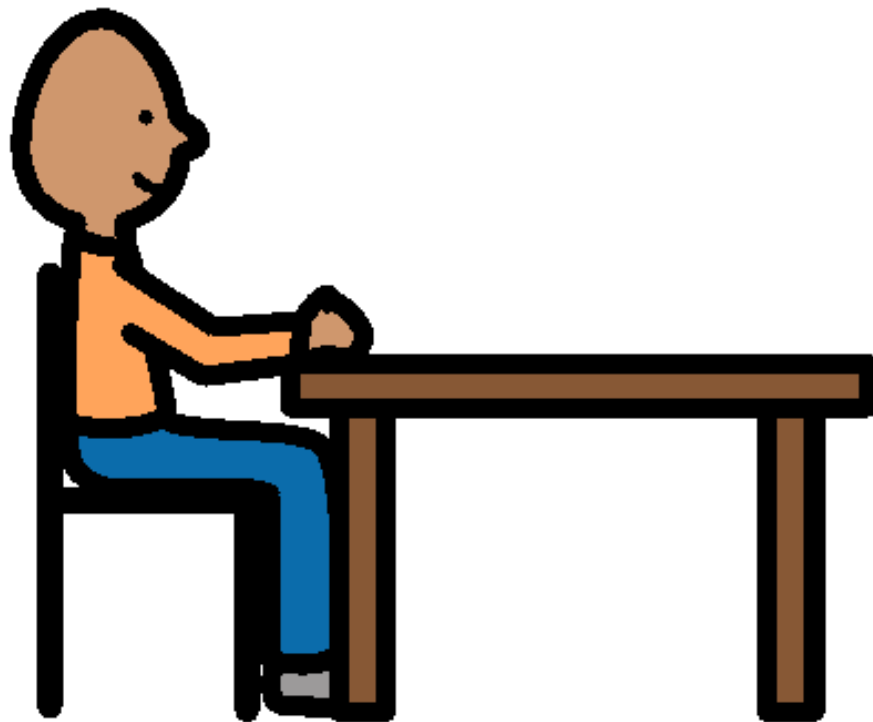

Students will not sit
together at the
carpet.

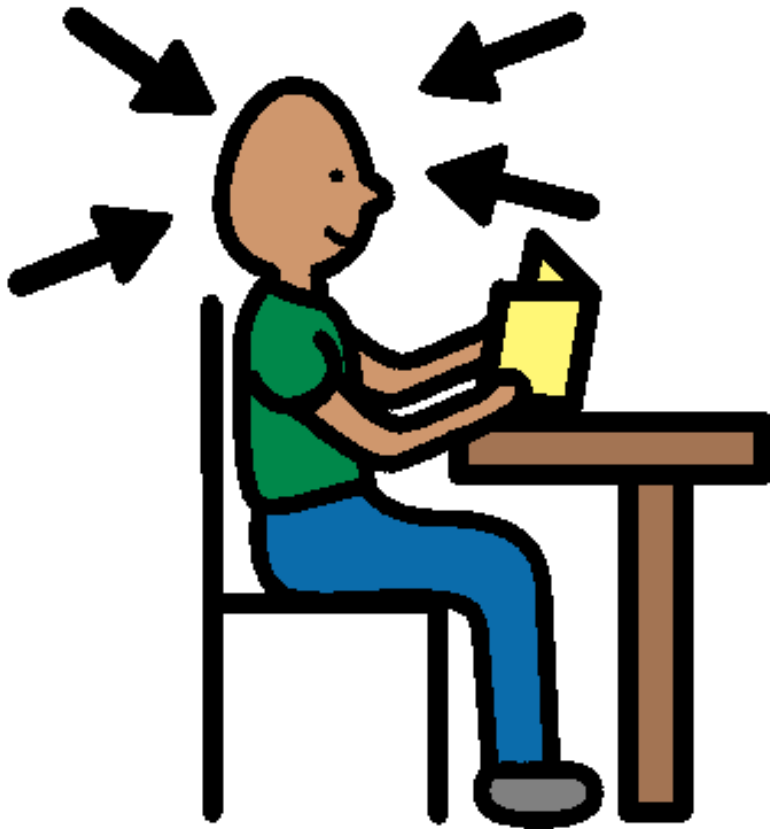

The tables will be spread out, instead of in groups.

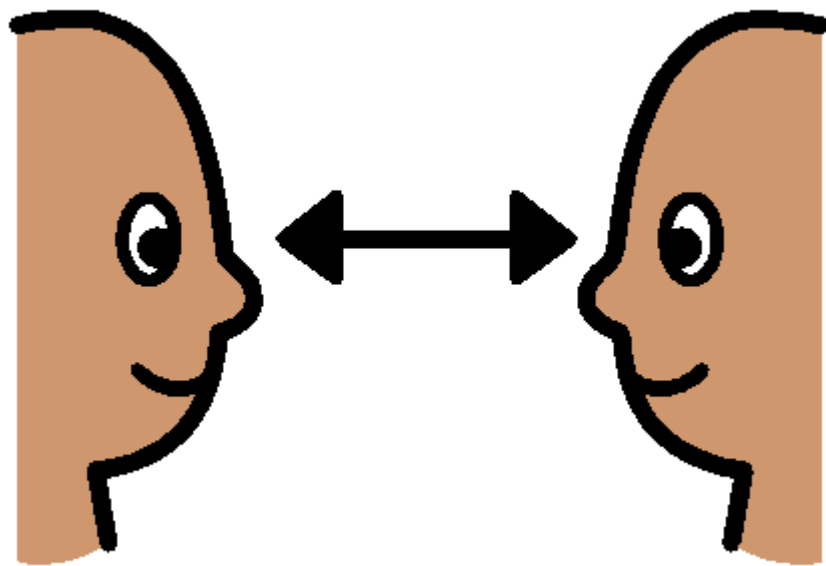

Students will sit at
their own table.

It will feel good to
learn at school.

It will feel good to
see some familiar
faces from a
distance.

WHAT
ABOUT
PLAYING
OUTSIDE?

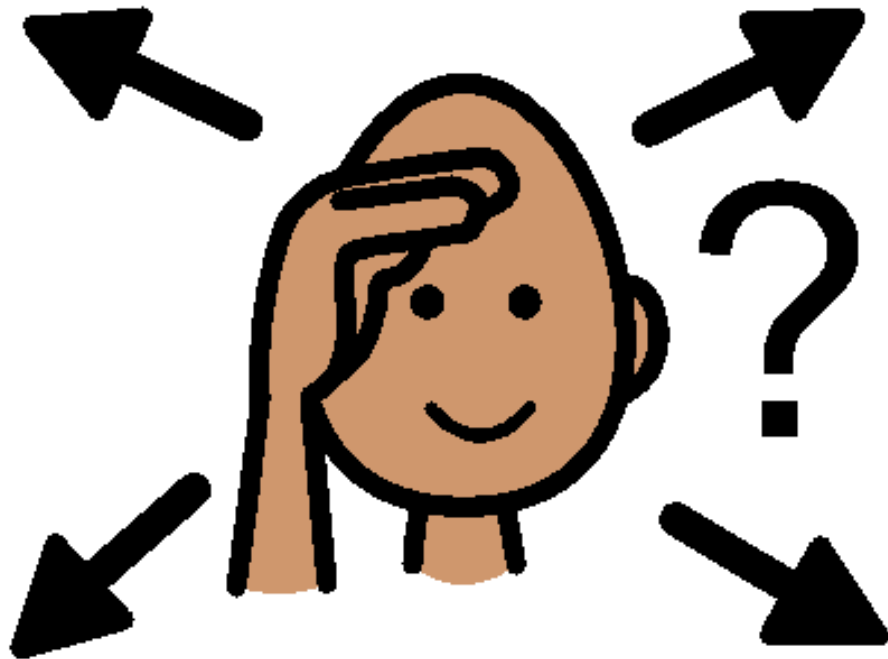

The playground will
be closed.

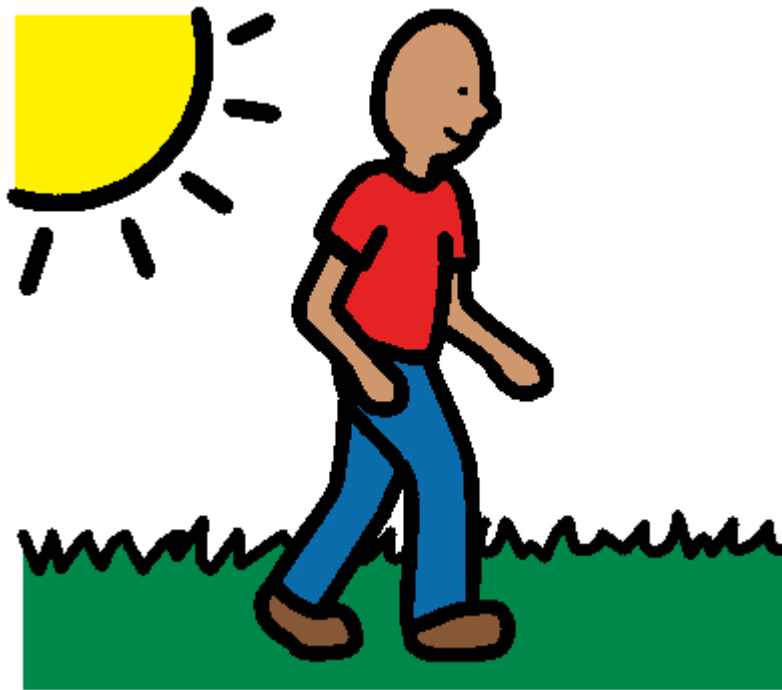

We will not be able
to share equipment
at school.

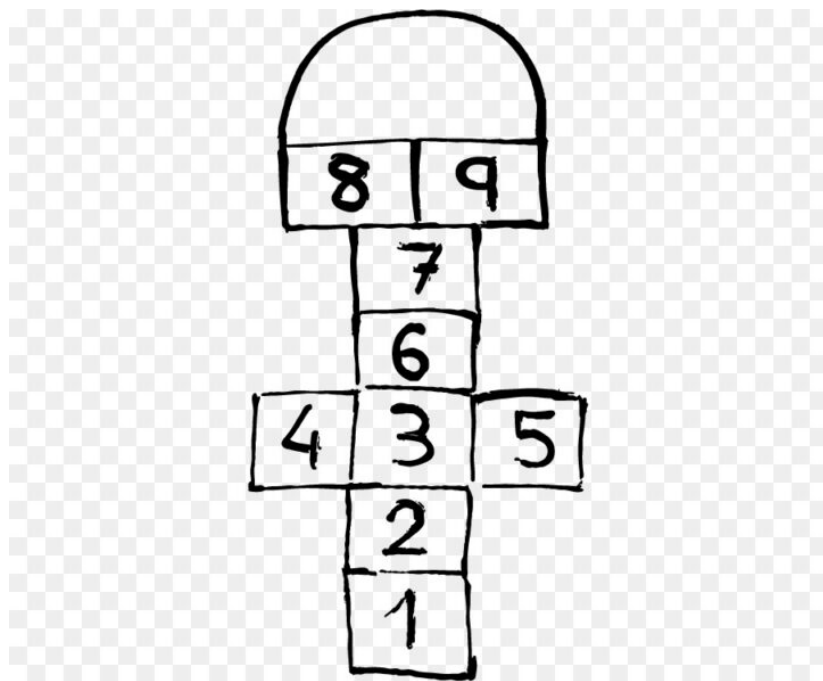

Friends from other classes might not be outside at the same time.

Students will need to find other things to do outside, and keep their distance from others.

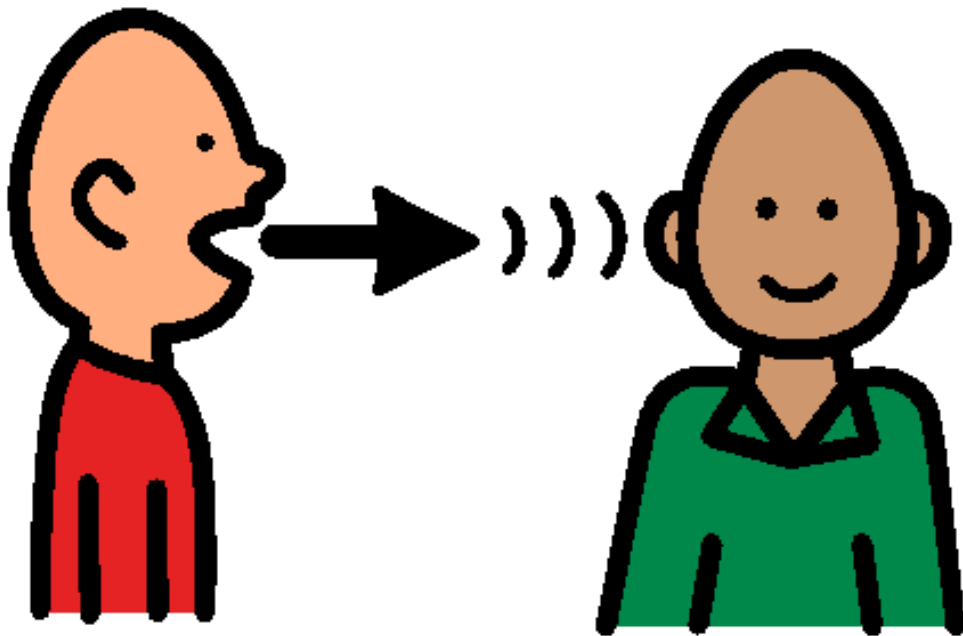

WE WILL NEED TO THINK
OF GAMES WHERE WE
CAN KEEP OUR
DISTANCE, HAVE FUN, BUT
KEEP SAFE...
LIKE HOPSCOTCH

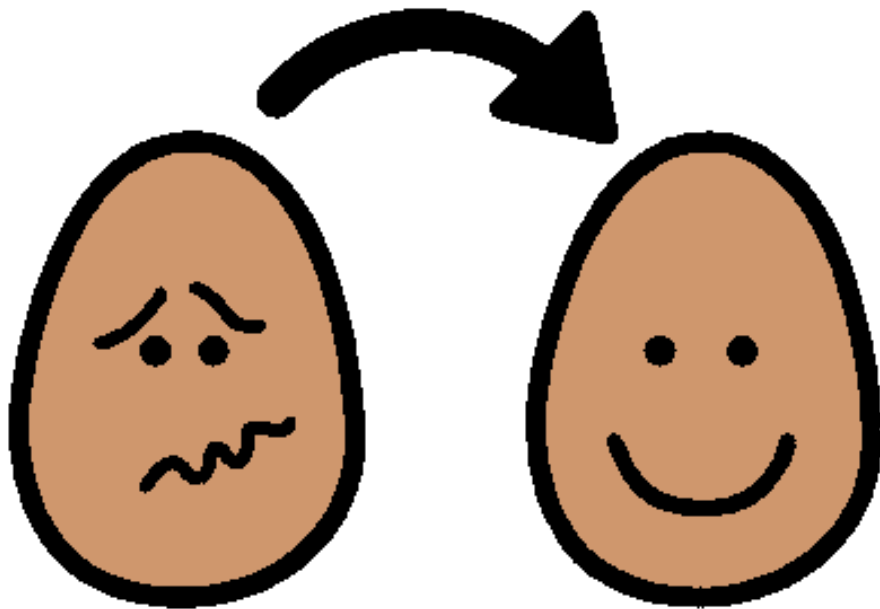

*WHAT GAMES CAN YOU
THINK OF?*

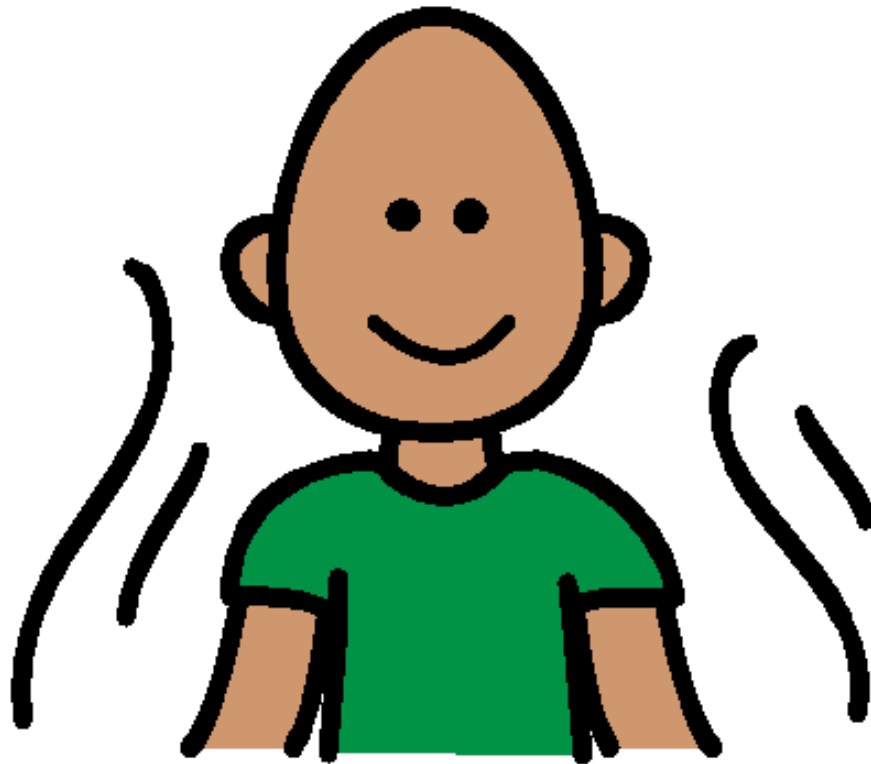

It will feel good to socialize with others from a distance.

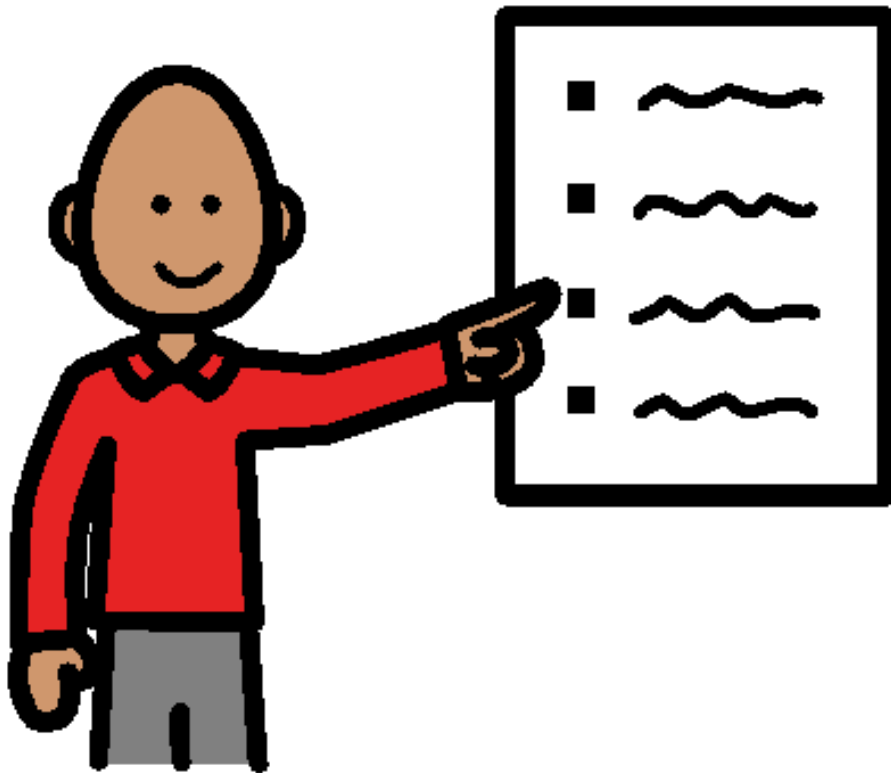

These changes at school are temporary. They will not last forever.

When it is time,
things at school will
be more relaxed.

For now, everyone
needs to follow
these safety rules.

Being cautious at
school helps to
keep everyone safe
and healthy!
