

**As Readers** we are learning that stories can be a source of joy.

**As Authors** we are learning that stories and other texts can be shared through pictures and words.

**As Listeners and Speakers** we are learning that through listening and speaking that everyone has a unique story to share.

**As Athletes** we are learning that daily participation in physical activity at moderate to vigorous intensity levels benefits all aspects of our well-being. With Mr. Chau students focused on learning how to monitor their exertion levels during physical activity for safety, staying active and overall well being.

**As Inquiring artists** we are learning that music, drama and visual arts are unique languages for creating, communicating and expressing meaning.

**As Citizens** we are learning that our rights, roles, and responsibilities are important for building strong communities (Grade 1 & 2) and that diverse features of the environment in other parts of Canada and the world (Grade 2).

## Suncrest Elementary Grade 1/2

Ms. Ciolfitto  
(December 2025 -  
March 2026)  
Term 2 Overview

**As Scientists** we are learning that light and sound can be produced and their properties can be changed (Grade 1) and that forces influence the motion of an object (Grade 2).

**As Mathematicians** we are learning that addition and subtraction with numbers to 20 (Grade 1) or to 100 (Grade 2) can be modelled concretely, pictorially, and symbolically to develop computational fluency.

**As Innovators** we are learning that designs grow out of natural curiosity, coding, play and creating through ADST.

**As Lifelong Learners** we are learning that goal setting and self-reflection helps us to develop skills.

**As Members of Division 11 and the Suncrest Community** we are learning that what we learn and what we contribute to group activities makes the classroom, school, community and environment a better place.

### Core Competencies
