### HIGHLIGHTS

We began the week learning about Remembrance Day and creating our poppy art. We then went to the Library to do a Leaf Man activity. Check out our classroom blog for the pictures! This week, we also changed Math teachers. The Grade 1's are now with Mr. Yung and the Kindergartener's are with Ms. Askew. For Literacy, we have begun writing simple sentences with our 3 golden rules:

- 1 - begin with a Capital letter
- 2 - make finger spaces between each word
- 3 - end the sentence with a period

### A MESSAGE FROM MRS. TORRES

For the past couple of weeks, I have been noticing more and more students coughing and having runny noses in school despite doing their daily health check at home and at school. It is very important to keep your child at home if ANY flu-like symptoms are present. Thank you to those families who are taking this very seriously. It is important that each student can come to school feeling safe and ready to learn.
