

Division II's CLASSROOM

FOR the week of
OCTOBER 18-29

NEWS

HIGHLIGHTS

We have just ended our Science Unit on Weather! On 5 different days, Division II became weather reporters and documented details of the weather changes. We continued our Social Studies unit on Communities and talked about the people in our families. The Kindergarteners are finishing up their Math unit on patterns and the Grade 1's are learning cool strategies to add and subtract. For events, we had our school-wide pumpkin patch, Halloween Parade, and school-wide Bingo!

REMINDERS

1. Library books to be returned every **Wednesday**
2. No school on **Thursday, November 11** in lieu of Remembrance Day

Student Quote: "I see a pumpkin, then an acorn. Pumpkin, acorn. I see a pattern." - Jason

A MESSAGE FROM MRS. TORRES

Can you believe October is (almost!) already over?! How fast time flies! But one thing's for sure...we're ready for November! I'm so proud of all the students of Division II because in just two months, they've settled in nicely and have a good grasp of all the classroom routines and expectations. Well done, everyone!
