

# Division II's CLASSROOM

FOR the week of  
*October 4 - October 15*

## NEWS

### HIGHLIGHTS

We had a blast these couple of weeks beginning our Science unit on weather and light as well as learning about watercolour and oil pastels during Art class. Meanwhile in the gym, Ms Tran introduced us to basketball and hula hoops. During Math, the K's continued their pattern learning while the Grade I's learned about skip counting 2's, 5's, and 10's up until 20! We also did a lot of reading with Mrs. Askew and did a writing piece about three things we are thankful for. During Story workshop, we learned how to create stories with a beginning, middle, and an end. We got to share our stories to the class afterwards.

### MESSAGE FROM MRS. TORRES

This week, I began handing out "Thunder Tokens" to students who showed ROARS (see above!) Students in Division II showed a lot of respect to the teachers-on-call while I was away for some days and also had an amazing attitude towards their learning these past couple of weeks.
