

FRIDAY LETTERS

Write a letter to me about your week. You can write to me about anything you want. Make sure that you use your best handwriting, include all the parts of a letter and sign your name. You should write at least 5 sentences so I can write you back. Here are some ideas on what to write about in case you are stuck:

- What did you like learning about this week?
- What didn't you like learning about?
- What was easy for you? What was hard?
- What is something good or bad that happened at school this week?
- What is something good or bad that happened at home this week?
- Tell me about your family.
- Tell me about your best friend.
- What do you like to do after school?
- What is something you are really good at?
- What is something you want to learn more about?
- What is something you want to keep practicing?
- Tell me a story!
