

## **Tie-Dye Shirt Instructions: Washing + Wearing**

Our students have created tie-dye T-shirts using colours that represent their House Teams (Quantum, Fidus, Persevero, Empathia, Integretas). We will be wearing these shirts to Camp Timberline, and for a few other Grade 6 & Grade 7 events this year. A special thank-you to Ms. W for all of her hard work!

**PLEASE WEAR YOUR T-SHIRT ON THURSDAY, FEB. 26TH FOR A PHOTO!**

### ***Instructions for first rinse + wash:***

Optional: put on gloves before beginning.

- 1) Over a sink, carefully open the bag with the shirt inside. Carefully remove all rubber bands (either pull them off or cut them).
- 2) Rinse your shirt in the sink under warm water. Keep rinsing several times, until the water runs clear.
- 3) You can now hand wash the shirt, or use a washing machine. Use a small amount of laundry detergent, and wash on a gentle cycle (cool water).
- 4) **Make sure to wash the shirt separately (by itself) the first time, or it will stain other clothing!**
- 5) Now, you can hang the shirt to air dry, or dry it on low heat by itself.
