

# Word Puzzles

Design a kite using stuff around the house. Check out these cool designs that may inspire you!

<https://www.thesprucecrafts.com/kite-crafts-for-kids-4126872>

Sketch out your ideas and try a few designs. Test them out at your local park on a windy day!

## Reflections:

What was the best design shape to use?

What challenges did you face while designing and flying?

How did you overcome these obstacles?

## MATHS BRAIN TEASERS
