Tree Observations

Go on a nature walk in your neighbourhood and find a tree that you think is interesting. Take a picture of it! When you get home from your walk, draw the tree that you found and use pencil crayons or markers to carefully colour your drawing.

Tell us about the tree you picked! How is it the same or di What colours do you notice? Does it have flowers or berries tree could be used for?	
Use details in your writing and explain below!
