

»» MAY NEWS

A NOTE FROM THE TEACHER:

Hooray! It's May! Thank you to all the families that were able to take time out of their busy schedules to attend student led conferences last month. The students were so excited to share their work and progress with you. As the weather begins to warm up, we'll be doing some planting in the classroom and enjoying a couple walking field trips.

»»»» EVENTS

»» REMINDERS

Please ensure your child arrives each day with:

- a water bottle
- inside shoes
- a signed planner
- Library books (on Thursday)

Please continue to record your Bookbeast reading each night. Flat Stanley Adventures! Your Flat Self should be out and about travelling. Please see our website for more information if needed.

»»»» LEARNING FOCUS

Literacy ~ We continue to enjoy listening to student Book Presentations. Text features – learning how text and visuals are displayed in non fiction.

Math ~ Multiplication 2 digits by 1 digit, division, money, ordinals to 100, points, lines, perpendicular lines, parallel and intersecting lines, graphs, measurement, review of addition and subtraction.

Science ~ Completing Thermal Energy unit and continuing to co-operatively design projects during STEM activities and participate in a variety of science experiments.

Socials ~ Mapping, oral stories and traditions.

Health & Career ~ Identifying and describing avoidance and assertiveness strategies to use in unsafe and/or uncomfortable situations. Recognizing basic skills required in a variety of jobs in our local community.
