Across the icy rivers and
chilly mountain slopes
The eight kingdoms fightin'
wanting power alone
which will rule the winter and

A doe is a deer that thinks she's fly
but those are only reindeer

I don't want no help - A friendly deer wont get no

Hanging out the passenger side of Santa's ride -
Trying to carol with me
I don't want no help - A friendly deer wont get no
hugs from me
Hanging out the passenger side of Santa's ride -
Trying to carol with me

Verse 2

If you don't have hooves and you're trottin', Oh yes,
doe, I'm talking to you
Livin' at the pole with Santa - Oh yes, doe, I'm talking

Tryin' to hug me, your too friendly - Oh no, I don't

Dream On

to Aerosmith tune *Dream on*

Every time weather gets drear'er - as the snow falls glistening clearer
Sun is gone - They went by like dusk to dawn
Isn't that the way? - Every bears got it's dues in life to pay

I know how to survive snow - Where it comes and where it goes
I know summers leavin' - To last through winter we be sleepin'

Half my life's in books' written pages
Live and learn from bears through the ages
You know it's true - the bear necessities will do

sleep near me, sleep for the year - sleep through laughter, sleep through tears
sleep near me if it's just for today - Maybe tomorrow will take winter away
(repeat verse)

Dream on, dream on, dream on,
Dream yourself a dream come true
Dream on, dream on, dream on,
Dream until your dreams come true

Birds in Black

To Will Smith tune Men in Black

Chorus

Here come the Birds in Black
Here come the Birds in Black
Birds that stick together

Verse

Flightless birds - dressed to the 9
beak to beak, - wing to wing
tail to tail, toes to toes
Flightless birds - dressed to the 9
beak to beak, - wing to wing
tail to tail, toes to toes
flappin in snow, flappin in snow
sliiide - tap tap tap
sliiide - tap tap tap
we got each other, - brother and sister
dressed to chill, - blingin' in winter
cuz you know where the B.I.B.'s is at

I Will Survive

To Gloria Gaynor tune I will Survive

At first I was afraid, I was petrified,
But then I spent so many nights shaking off this frosty bite,
And I grew strong, and I learned how to stay alive.

Verse

And now I'm tough - just count my rings.
Surviving many frosty winters without leaves on my face
seeding all through the years - The ice ages with no fear
longer than those other kingdoms - branching far as I can be

Go on now, go. tread out the door
Just turn around now - 'cause were rootin' on this floor
Weren't you the one who eyed me as a Christmas tree?
to chop me down? - for a lumber supply?

Chorus

Oh, no, not!! - I will survive.
Oh, as long as there's sun and water I I know I'll stay alive.
I've got all my life to live. - I've got all my sap to give.
And I'll survive, - I will survive, hey, hey.

Let It Snow

"Let it go," from the movie Frozen

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation,
And it looks like there's a sheen.

These flakes are blowing round and round outside
dancing in the sky, twirling side by side!

Don't let them in, don't let them see
Be the snowflake you always have to be
soft, beautiful, original
flurry of snow!

Chorus

Let it snow, let it snow
Can't hold it back anymore
Let it snow, let it snow
blow away and shine no more!

I don't care
What they're going to say
Let the storm rage on,
The colds always a part of me!

Chorus

As we swirl
our storm grows strong
Let the snow rage on!

Ginga' Cookies

To tune *Single Ladies* by Beyonce

All the ginga cookies (All the ginga cookies) 3x
All the ginga cookies
Now put your hands up

Verse

Rollin in da sugar, dancin' in the dough
baking my scrumptious thang
decided to dip, yummy choco' chips
another cookie noticed me
Fluffed in flour, and baking powder
A clovey hint of attention
buttery brown, deliciousness
Baked at 350

Chorus

ten minutes then a timer ring-a-dings 4x

This land Of Mine

To *Shania Twain* tune *Any Man of Mine*

these 8 kingdoms will bow to me -
Even when its cold I'll still be strong n' free
Spring'll be late I'll wait that's fine - this icy throne of mine

This land of mine knows it's fit just right -
When I march across the plains and out of sight
anything I sing or say better be okay - When I rule the throne one day
If I carry a tune - singing all the time
I sing about the cold - brr,, brr, brr sing it that way

This land of mine knows it's fit just fine
When I march across the plains
and rule the eight kingdoms of mine
anything I sing - better be okay
I will sit on the icy throne riding horseback all the time---
This land of mine

The other seven kingdoms may disagree
When I say this land belongs to me
when I take the throne from underneath -
We will sing, brrr, - I belongs to me
if I carry a tune - singing all the time
I sing about the cold - brr,, brr, brr sing it that way

This land of mine knows it's fit just fine
When I march across the plains
and rule the eight kingdoms of mine
anything I sing - better be okay
I will sit on the icy throne riding horseback all the time---

Rappin' Santa

To tune *Low* by Flo Rida

Chorus

Santa had 'em Red Leggin's - Boots with da fur
The whole pole was lookin' at him
He hit the snow - Next thing you know
Santa Went - Jingle bells, jingle bells, jingle all the way

Baggy red pants buckled to the max
he spun around, dancing disco on his back
He hit the snow - Next thing you know
Santa went - on what fun it is to ride in a one horse open sleigh

Verse

ain't no chimney, he can't fit,
poppin' dat da' ap to beat - poppin' dat da' ap to beat
no rockin' deer, he stole the show
Robotman - fRunninman --- - 1, 2, 3, 4,

Dancin' in da snow
Hands up high and hands down low, hands up high and hands down low,
Dancin' in da snow
hands up high and hands down low, - hands up high and hands down low,
crank those tunes up to the max
beat boppin back tracks...red leggins'

Finale: It's Beginning To Look A Lot Like Winter

It's beginning to look a lot like Winter
Everywhere you go
Take a look at the 8 kingdoms
Glistening once again
side by side and together aglow

It's beginning to look a lot like Winter
Friends everywhere
But the warmest sight to see
Is the friendship that will be forever more

Reindeer and Bears
playing with Peguins and Elves
tress that grow and knights in the snow
together in all of the lands
Gingerbread and snowflakes
What a wonderful mix
