Beans Acids Drama

Lights out

Imagine that the electricity went off in your home for 3 days in the middle of winter .What problems would you experience and how might solve them? Create an invention you could use to solve a few of your problems. Use various items from your house

Thankfulness

In these unusual times during Covid-19 when we are not as free to move around it may help to remind ourselves what we are thankful for. In a notebook or talking with a parent write or tell what your thankful for and why. Family? School?Friends? Neighbourhood? Country?

Empowering students for life.
